### **RELEASE FOR IMMEDIATE DISTRIBUTION**

#### **U.S. Minority Chamber of Commerce Launches the XXV Small Business World Summit Disney with slogan: *The Future of the Small Business in Challenge Time!***

- *The World Forum to highlight innovative tools & strategies for building a business with solid knowledge in a new transform world.*
- *The mission for this year's summit is "Connectivity and Partnership". It's an invitation to be bold in how we join and grow at a time when products, people and ideas change faster than ever.*

**Orlando, Florida December 8, 2022.** The United States Minority Chamber of Commerce (U.S. MCC) launches a bi-annual the World Small Business Summit Disney XXV Edition this coming January 26-30, 2023, to demonstrate how creative ideas and platforms can help transform small businesses into larger enterprises. This first-time conference takes place at the At the Walt Disney World Resort's crown jewel is Magic Kingdom Park- Orlando, Florida. The event is not open to the public.

*"Whether you are a new business or have been operating for years, our World Small Business Summit will provide a powerful opportunity for attendees to network, while learning from their business-community peers, including successful entrepreneurs, investors, lending institutions, sector experts, and high-tech program,"* said U.S. MCC President & Founder Doug Mayorga.

*"Minority businesses are the most creative and dynamic sector in the Americas economy,"* Mr. Mayorga continued. *"The mentoring and networking that happens during this business world forum will give small entrepreneurs the vital tools they need to be increasing successful in the competitive marketplace nationwide and international."*

The tree days summit features keynote lunch presentations, corporate awards, and mentoring panels comprised representatives of varying trade, contracting, funding and top relations environments. One of the most attractive aspects of the conference is ***the Digital Main Street*** at which more than 20 exhibitors will showcase their services for small businesses. In addition, multiple breakout sessions will be conducted featuring discussion on effective trade, investment and federal procurement opportunities, digital tools and strategies.
