

UNITED STATES MINORITY CHAMBER OF COMMERCE

BECOME A MEMBER!

I am pleased to welcome you personally to the U.S. Minority Chamber of Commerce (U.S. MCC).

Our Chamber is a global trade and advocate for U.S. companies throughout Latin America & the Caribbean. We work closely with members, governments, multilateral institutions to promote a wide range of resources, opportunities and tools to facilitate commerce and partnerships.

The U. S. MCC has six overriding priorities for trade, economic development, investment, public-private partnership, digital education, and emergency preparedness against **Covid 19**. We are dedicated to advancing the general welfare and prosperity for our associates, improving their business operation to secure clients, transparency, and payment. Also, we offer our members educational support through seminars, publications, business planning and mentoring.

To make the most of your membership, I strongly encourage you to get involved and participate in the global activities of the Chamber. As with anything in life, the more you put into the Chamber, the more you will get out of it! There are many opportunities available. Join a committee that focuses on a topic that interests you, sponsor a Chamber event, come, and network with other local or international members, be connected!

These areas with the greatest potential to spur economic growth, create new entrepreneurs, promote U.S. products and Services, and assist our members to preserve leadership in favor to compete in the region with collateral support in: *Facilitating trade connectivity through E*TRADE America for U.S Exporters & Importers, Promoting Perfect Logistic & Distribution by reducing transport costs, advancing trade, growing American energy and innovation, and the partnership program through our department of intelligence and response.*
