About the United States Minority Chamber of Commerce Foundation: A private, non-partisan, was purposefully created to help low income communities with headquarters in Miami, and operation centers in Washington, DC, Los Angeles, New York, Puerto Rico, Mexico, Honduras, Costa Rica, Dominican Republic and Colombia. The U.S. MCC Foundation is committed to investing 100% of donations amongst the most critically affected communities; the humanitarian goals focus on food/agriculture, clean water and fuel/renewable energy initiatives. The Chamber is passionate about helping our members become successful, not only in business development, but also in compassion and solidarity. All minority companies – large and small, from a wide range of industries and locations are encouraged to participate in the Chamber's humanitarian efforts. All donations are tax deductible.
