

UNITED STATES MINORITY CHAMBER OF COMMERCE

Serving since 2000

“Reducing Poverty through the U.S Entrepreneurship”

What is the United States Minority Chamber of Commerce?

An Economic Business Organization with a coalition of area businesses, industries, organizations, global companies and professionals who pool their talents and resources to improve the economic in our community in the United States.

The United States Chamber of Commerce has provided support for the minority business community since September 1, 2000. The Chamber offers global development for international companies through export-import, investment and international cooperation including networking, educational, funding and marketing opportunities, business resources and mailing lists, and government advocacy to protect and advance the interest of our members.

Who are the Members of the Chamber?

The Minority Chamber of Commerce is made up of over 32,000 members in the United States, Puerto Rico, Dominican Republic, Colombia, Honduras, Costa Rica, Mexico and Israel. Our membership ranges from single-person businesses to corporations with thousands of employees. We have members who have just started their businesses and members who have been in business for more than 80 years.

The Real Function of the United States Minority Chamber of Commerce

1. It promotes industry development by assisting its members to explore the Latin America market, the U.S Government Contracts and other opportunities.
2. It provides training and consultancy on foreign market, client and regulations. Including national market in U.S.A and Puerto Rico
3. It guides members to make sure that their business operation is in accordance with relevant laws, regulations and protocols to accomplish goals
4. It organizes exhibitions and forums. On behalf of the industry, it keeps contact and cooperates with international organizations, governments and global partners to understand the new economy
5. It also works to satisfy the requirement of the government and members.
6. Facilitator and lobby with the right people.

Who we are

The United States Minority Chamber of Commerce has many roles and mission: it operates an independent private, no social, no politician economic development of trade, investment and international cooperation rules, it acts as a forum for negotiating, connecting and facilitator between members and potential agreements, it settles export-import, investment through PP3 and compassion development with U.S. Philanthropic organization and it supports the needs of developing countries.

What we do

All major decisions are made by the presidential and a group of elites part of circle of the group very selected by the head of the Chamber, President & Founder, Doug Mayorga: either by chapter’s directors (who usually meet at least every two weeks) or by their delegates.

What we stand for

We are a Chamber not for everyone. Is an Elite Business Organization with fundamental principles to build trust and to contribute to the economy of the U.S. Minority Companies by sustaining a continuous, curated, and informal development of revenue and expose.

Demographic:

The United States Minority Chamber of Commerce (U.S. MCC) has approximately 35,000 member companies, among which 1900 are honorary vice presidents, 50 are members of the executive standing committee, and 163 are members of the executive committee. Its membership, covering all parts of the United States, Israel, The Caribbean and Latin America, is composed of the largest and most minority representative companies and a large number of small and medium sized enterprises including an “Elite members from the Corporate Fortuna 1000 companies”.

The United States Minority Chamber of Commerce is open to diversity, equity, and inclusion as critical for business development and success. Our Diversity, Equity, and Inclusion programs drives economic competitiveness, highlights diverse employee populations, and promotes inclusive growth throughout the new America for Business.

The Chamber can assist me to become to Federal Government Contractor?

Yes. We provide an hour training every Saturday without any cost with a quick Start Guide for New Grantee Registration:

What is an Entity?

In SAM, your company/business/ organization is referred to as an “Entity.” You Register your entity to do business with the U.S. Federal government by completing the registration process in SAM.

DUNS Number:

You need a Data Universal Numbering System (DUNS) number to register your entity in SAM. DUNS numbers are unique for each physical location you are registering. If you do not have one, request a DUNS number for free to do business with the U.S. Federal government by visiting Dun & Bradstreet (D&B) at <http://fedgov.dnb.com/webform>

What is the Steps for Registering :

Type www.sam.gov in your Internet browser

1. Select Log In to complete authentication and create an account.
2. On the My SAM page, select Entity Registrations from the sub navigation menu and select Register New Entity.
3. Select your type of Entity.
4. If you are registering in SAM.gov so you can apply for a Federal financial assistance opportunity on Grants.gov, and are not interested in pursuing Federal contracts

"Reducing Poverty through the U.S Entrepreneurship"

Complete the Core Data section:

- Validate your DUNS information.
- Enter Business Information (EIN . Remember your MPIN as it will help identify you in several other government systems.
- Enter your CAGE Code if you have one. CAGE codes are tied to DUNS Numbers and cannot be reused. Don't worry if you don't have a CAGE Code for the DUNS Number you are registering: one will be assigned to you after your registration is submitted. Foreign registrants must enter their NCAGE Code before proceeding.
- Enter General Information (business types, organization structure, etc.) about your entity.
- Provide your entity's Financial Information, i.e. U.S. bank Electronic Funds Transfer (EFT) Information for Federal government payment purposes.
- Foreign entities do not need to provide EFT information.
- Answer the Executive Compensation questions.
- Answer the Proceedings Details questions.
- Complete the Points of Contact section:
- Your Electronic Business POC is integral to your Grants.gov registration and application process. Your Government POC will be used by other government systems, such as the CAGE program, when they contact you. List someone with direct knowledge of this registration for both of those POCs

What benefits do I receive as a U.S. MCC Chamber Partner?

We, at the U.S. MCC , understand that different businesses have different needs and expectations; that’s why we don’t believe that a one-size partnership is appropriate. There are multiple levels of investment designed to maximize your company’s return on investment

One-on-One Assistance

The U.S.MCC conduct confidential, comprehensive, one-on-one conversations with nearly a thousand businesses each year. We track on-the-ground business conditions. We collect data on what it takes for businesses to stay and grow nationwide or worldwide . We identify private-sector solutions and/or advocate for public policy changes to address business concerns.
