

UNITED STATES MINORITY CHAMBER OF COMMERCE

At the United States Minority Chamber of Commerce we can grow your business in the emerging markets located at the United States, Colombia, Costa Rica, Honduras, Puerto Rico, Mexico and Dominican Republic

**Expand your
business
to the
Americas.!**

The Chamber has a deep specialism in Latin America and the Caribbean. We'll do more than just develop your market expansion strategy: we'll play a hands-on role in its execution with public relations and solid infrastructure. We'll close deals for you, secure partnerships and generate revenues. And, when you're ready, we'll help you set up your own in-country presence through a local subsidiary, partnership or acquisition. We enable:

1. Latin America companies to expand into the United States and Puerto Rico
2. U.S. corporates to establish their operations in Latin America and the Caribbean
3. Government bodies to grow their exports and attract foreign investment

With 30 full-time employees, a 20-year track record and offices in Colombia, Honduras, Mexico, Puerto Rico, Dominican Republic, Costa Rica, Los Angeles, Washington DC, and Miami, we make your international expansion fast, easy and cost effective.

You will have the following services:
