MIAMI DADE’S FUSION PROTECTING HOMELAND SECURITY

A nationally center, known as the Southeast Florida Fusion Center (SEFFC). The mission of the HSB/SEFFC is to develop and implement effective information-sharing policies and collaborative programs, to ensure the effective dissemination of criminal intelligence information across a multi-jurisdictional and multi-discipline environment; and to build trusted relationships with our federal, state, local, tribal, and private sector partners, to enhance our ability to secure the homeland, while protecting the privacy of our citizens. A great experience during the visit.
